

## Deer Resistant List

Please remember that any given deer on any given day may eat any given plant! No plant is deer “proof”, but some plants are touted as being quite resistant. We offer the following list of suggestions, all of which are known to perform well in the Willamette Valley.

### Trees

Abies (Fir)  
 Albizia  
 Ash  
 Arbutus unido  
 Birch  
 Calafornia laurel  
 Cedar  
 Cypress  
 Douglas Fir  
 Eucalyptus spp.  
 Fig  
 False Cypress  
 Ginkgo  
 Hawthorn  
 Hemlock  
 Japanese Maple  
 Juniper  
 Liquidambar  
 Little Leaf Linden  
 Magnolia  
 Oak  
 Olive  
 Palms  
 Pine  
 Redwood  
 (Sequoia)  
 Spruce  
 Sumac  
 Vine Maple  
 Western Redbud  
 Willow

### Vines

China Blue  
 English Ivy  
 Jasmine  
 Potato Vine  
 Wisteria

### Shrubs

Abelia  
 Bamboo  
 Barberry  
 Boxwood  
 Bottlebrush  
 Broom  
 Buddleia  
 Bush Anemone  
 California Buckeye

Ceanothus spp  
 Cistus, most  
 Chokecherry  
 Choisya spp.  
 Coffee Berry  
 Coralberry  
 Cotoneaster, & Corokia  
 Currant, Golden & Red  
 Daphne  
 Dogwood, Red Twig  
 Eleagnus  
 Elderberry  
 Escallonia  
 Flowering Quince  
 Fremontodendron  
 Garrya elliptica  
 Gaultheria, Salal  
 Gooseberry  
 Hazelnut  
 Heather, Calluna  
 Heath, Erica  
 Holly  
 Huckleberry, evergreen  
 Hypericum  
 Itea  
 Juniper  
 Kalmia  
 Kerria japonica  
 Lavatera  
 Lilac  
 Mahonia  
 Manzanita  
 Myrica californica  
 Nandina  
 Pineapple Guava  
 Potentilla  
 Pyracantha  
 Rhododendron  
 Rhus, Sumac  
 Ribes, currant, gooseberry  
 Sarcococca  
 Symphoricarpos, Snowberry  
 Spirea  
 Spice Bush  
 Sumac  
 Viburnum spp  
 Wild Rose

### Perennials/Annuals

Agapanthus  
 Ageratum  
 Armeria  
 Artemesia  
 Aster  
 Astilbe  
 Baby's Breath  
 Bear's Breech  
 Bee Balm, Monarda  
 Begonia (tuberous)  
 Bleeding Heart, Dicentra  
 Brachycome  
 Calla Lily  
 California fuchsia  
 California poppy  
 Calendula  
 Campanula posch.  
 Candytuft, Iberis  
 Canna  
 Centaurea  
 Centranthus ruber, Jupiter's  
 beard  
 Cerastium tomentosum  
 Chrysanthemum  
 Columbine  
 Coreopsis  
 Cosmos  
 Daylily  
 Delphinium spp.  
 Echinacea, Cone Flower  
 Erigeron  
 Eriogonum spp.  
 Erysimum, Wall Flower  
 Euphorbia spp.  
 Ferns (most)  
 Fescue ovina, Blue fescue  
 Foxglove  
 Gaillardia  
 Geranium, Cranesbill  
 Globe thistle (Echinops)  
 Grasses and grass like plants  
 Helleborus sp.  
 Herbs (most)  
 Impatiens  
 Iris spp.  
 Lamium  
 Lavender  
 Leonotis leonurus  
 Liatris spicata  
 Lithodora diffusa  
 Liriope, Lily Turf  
 Lobelia cardinalis

Lupine  
 Mimulus, Monkey Flower  
 Ophiopogon, Mondo Grass  
 Oregano  
 Oxalis oregana  
 Nepeta  
 Penstemon, Bearded Tongue  
 Perovskia atriplicifolia  
 Phlox subulata  
 Phormium (Flax)  
 Polygonatum spp.  
 Poppy (Papaver)  
 Pulmonaria spp.  
 Red Hot Poker, Knifofia  
 Romneya coulteri, Matilija  
 Poppy  
 Rosmarinus, rosemary  
 Rudbeckia hirta, Black Eyed  
 Susan  
 Salvia, sage  
 Santolina  
 Scabiosa  
 Scaevola  
 Sedum spectabile  
 Sea Lavender  
 Sedge, Carex  
 Senecio  
 Shasta Daisy  
 Sisyrrinchim  
 Stachys, Lamb's Ears  
 Stipa  
 Sunflower  
 Sweet Alyssum  
 Teucrium  
 Thymus  
 Verbena  
 Veronica  
 Viola  
 Yarrow

### Ground Covers

Ajuja  
 Arabis  
 Fragaria  
 Pachysandra  
 Vinca

### Bulbs, Corms & Tubers

Crocsmia  
 Daffodil, Narcissus  
 Dahlia  
 Crocus  
 Freesia  
 Trillium  
 Fritillaria
